

Fleming Finanz-IT GmbH

The all-in-one banking platform for healthcare professionals. Fleming is the platform for smart financial solutions and banking - tailored to healthcare professionals. Thanks to its clear industry focus and innovative FinTech technology, healthcare professionals benefit from fast and secure access to practice financing and high-performance banking services. The portfolio includes digital investment loans, working capital financing and an innovative banking home with account, card, POS and MoneyMarket - all from a single source and featuring first-class conditions.

Job Posting - Intern, Entrepreneur in Residence (f/m/d)

For our office in Palisadenstraße 90, 10243 Berlin

City: Berlin; Starting date (earliest): At the earliest possible; Remuneration: Unpaid

Working field

- Strategic projects: Help to develop business strategies & execute on them, making sure we stay aligned with our company goals & objectives.
- GTM strategy: Continuously research and analyse market trends, conduct competitor activities, and stay up to date with the changing fintech landscape.
- Product launch: Drive various strategic initiatives to help us prepare for our go-live, ramping up business operations and ensuring operational readiness.
- Process optimization: Critically question, analyse and improve existing processes. Constantly aim to improve our existing setup, build world class processes around it, that enable us to have a smoothly running organisation.

Requirements

- You are enrolled in a degree program in Business Administration, Economics, or a related field.
- You can think very analytically and are good at dealing with complex data.
- You are an entrepreneurial problem-solver with a structured approach.
- You take ownership of tasks and are not afraid to challenge the status quo.
- You are adaptable and thrive in changing environments, capable of prioritizing multiple tasks efficiently.
- You are a team player who values collaboration and knowledge-sharing.
- You are eager to learn new tools and skills and apply them to solve problems.

What we offer

- Hands-On Experience: Work on real projects and gain valuable insights into how an innovative fintech company operates.
- Challenging Tasks: Take on exciting responsibilities in a dynamic environment that broadens your knowledge.
- Supportive Work Culture: Join a collaborative team with a focus on teamwork and growth.
- Flexibility: Flexible working hours and the possibility to work from home.
- Development Opportunities: Receive constant mentoring and challenges to take your skills to the next level.
- Direct Experience in Start-up Building: Experience the fast-paced and dynamic environment of a start-up, while working closely with experienced experts.
