

European Energy Exchange AG - Energiebranche

› eex group

EEX Group develops world-leading market platforms to enable trading of energy and commodity products, such as power, natural gas, environmentals, freight, metals and agriculturals as well as offers subsequent clearing and registry services through our dedicated entity, ECC. We provide access to a network of more than 800 trading participants across our 21 locations on three continents. We are part of Deutsche Börse Group. #GoingGlobal

Working Student (f/m/d) Business Continuity Management

City: Leipzig; Starting date (earliest): 01/09/25; Duration: 1,5-2 years;

Remuneration: 15€/h during Bachelor, 16€/h during Master

Working field

As a regulated exchange and clearing house, EEX and ECC are built on robust processes and business solutions, which must also be prepared for emergency and crisis situations. To this end, our team at Continuity Management provides a robust internal framework, aligned to international standards and applicable regulation, oversees the implementation of contingency plans, and ensures their regular testing.

Your tasks:

As a Working Student with our Continuity Management team you will support the identification and assessment of mission critical processes and assets. You will assist with the creation and verification of contingency plans and support the team in fulfilling project commitments.

After all, we value the exchange of ideas, being there for each other and encouraging each other to become better. We call it: the exchange mindset.

Requirements

- Current enrolment as student at a university in Germany in the field of studies related to economics, business or IT
- Availability to work 18-20 hours per week and join the team on site in our Leipzig office regularly
- Willingness to work at the intersection of functional business areas, regulation, and information technology in the Energy and Financial Markets sector
- Experience in using Microsoft productivity and collaboration Tools (Office Suite, MS Teams)
- Strong analytical thinking and problem-solving skills
- Team player that is eager to learn and share
- Excellent communication and presentation skills
- Fluent in German and English

What we offer

- An attractive hourly wage (15€/h during Bachelor, 16€/h during Master)
- A good work-life balance thanks to flexible working hours
- Flexible mobile working arrangements
- A place in a dynamic and international team within the EEX Group and Group Deutsche Börse
- A perspective in the constantly growing and developing energy industry

Application

We're flexible! We're happy to receive applications in English or German.

Please send us your application (CV, letter of motivation and educational certificates) using the link in the job advertisement.
