

## **N.J.Interiors - Interior Design Studio**

N.J. Interiors is a young and rapidly growing interior design studio based in Berlin, specialising in residential projects accross Europe. We develop a complete design concept for our clients, from the floor plans to the last detail.

### **We're looking for a part-time interior design working student in Berlin!**

A perfect opportunity to launch a career in the design industry and gain experience.

City: Berlin; Starting date (earliest): At the earliest possible; Duration: tbd;  
Remuneration: tbd; Closing date: 24/06/25

#### **Working field**

You'll predominantly be assisting one of our designers with their workload, involving:

- \* Handling our Instagram and Pinterest accounts
- \* Taking care of general studio management tasks, like gathering important information for projects: obtaining quotes from manufacturers and for all trades, researching furniture and products, coordinating delivery dates with our suppliers.
- \* Familiarising yourself with Studio Designer and our curated products: managing and organising our ever-growing collection of fabric, colour, and product samples, as well as the inventory of accessories and decorative items
- \* Contributing to a smooth project flow: preparing Sketchup models and InDesign presentations for our various project steps
- \* And the best part for last: Assist on styling days and photo shoots

#### **Requirements**

- Design/Architecture Student
- Motivated and open to learning new skills, flexible and independent in your work
- Basic knowledge of InDesign, Sketchup & CAD modelling
- Fluent in German and English
- General interest in the design industry

## What we offer

- working in high end residential interior projects
- gaining insight in our work processes
- small team with transparent communication and a high priority in team spirit
- flexible working schedule
- always open to new ideas and opinions
