

## **Max-Planck-Institut für demografische Forschung - Population Europe**

Population Europe is the network of 41 leading European research centres in the field of policy-relevant population studies. The Secretariat is hosted by the Max Planck Institute for Demographic Research.

### **The Max Planck Institute for Demographic Research is looking for a Student Assistant for the Secretariat of Population Europe in Berlin**

A prerequisite for the position is the enrolment at a German university in communication and media science, political science, international relations or a related field.

City: Berlin; Starting date (earliest): 01/07/26; Duration: initial contract runs for 6 months with the possibility of an extension; Remuneration: According to TVöD Bund; Closing date: 15/03/26

#### **Tasks**

Our future colleague will support the international team of the Population Europe secretariat with the following tasks:

- Summarizing scientific articles in formats accessible for policy audiences;
- Organising online and in-person events at the science-policy interface;
- Production of online and print publications related to policy-relevant population developments;
- Copywriting in English for publications and social media accounts;
- Strategizing and planning of social media messaging (e.g. LinkedIn, BlueSky, YouTube);
- Email marketing initiatives addressing stakeholders from science, policy, business, and civil society;
- Updating our website content;
- Developing graphic materials in-line with our brand identity.

#### **Requirements**

Your profile:

- Team-work experience;
- Native- or C2-level knowledge of the English language, preferably with editing experience;
- An interest in deepening and broadening relevant knowledge and skills in social science research, science communication and policy dialogue;
- Good knowledge and practical experience with social media platforms, preferably

- with  
LinkedIn and BlueSky;
- Graphic design skills.

### **What we offer**

The successful candidate should ideally start on July 1, 2026. The initial contract runs for 6 months with the possibility of an extension. The number of working hours is 9 hours per week.

### **Application**

The application should include a cover letter as well as a CV with details of your academic studies, grades, and your interests. Please send your application, as a single PDF, by 15 March 2026 to Dr. Andreas Edel, Executive Secretary of Population Europe / Max Planck Institute for Demographic Research at [applications@population-europe.eu](mailto:applications@population-europe.eu) with the subject "Student Assistant 2026".
