Tasks

Tired of the 9-to-5 grind? Imagine a World without borders, where opportunities are endless. That's the future of work, and we're building it at WorkMotion. Our all-in-one HR platform makes it easy to hire and manage global teams, ensuring compliance and streamlining processes. So whether you're a digital nomad or a remote-first company, we've got you covered. Ready to join the future of work? Let's build something amazing together.

Our Global Entity and Partner Infrastructure team is looking for a detail-oriented, highly organised, and motivated individual to join us as a Working Student - Executive Assistant on a part-time basis (20 hours per week). You will help us ensure that our global operating infrastructure and processes are working smoothly and efficiently.

What you will do:

- Contribute to the expansion and maintenance of WorkMotion's global operating infrastructure by supporting the set-up and ongoing operations of subsidiary entities across the globe
- Plan, prepare and orchestrate key signature processes (digital and physical) involving multiple internal and external stakeholders
- Coordinate and ensure clear communication with WorkMotion's senior leadership to make in-person appointments for signatures and other entity-related tasks
- Manage all aspects of document handling from end to end: receiving, forwarding, dispatching via postal services, legalizing (via notary), storing, and archiving both digital and physical documents
- Maintain accurate records and organized archiving systems for documents related to subsidiaries and company-wide operations
- Liaise with in-country partners and local authorities to support document sharing and meeting compliance requirements for global subsidiary entities
- Be involved in ad hoc cross-functional projects related to entity and partner infrastructure operations and process improvements
- Provide professional administrative support, including drafting memos, emails, and internal communications on behalf of the team and global entity directors

Requirements

- Currently enrolled in a university degree program in Berlin and available to work on-site in Berlin at least 1 day a week
- Fluency in written and spoken English and German
- Excited and passionate about shaping the future of work and access to global talent
- Outstanding interpersonal, communication and collaboration skills with a team player mindset
- Detail and solution oriented with strong organizational and administrative skills
- Demonstrates ownership; ability to multitask and work effectively in a dynamic and deadline-driven environment
- Excellent professional standards, discretion, high level of confidentiality and sound judgement when handling sensitive information

Desirable (but not required):

- Previous experience in similar role would be a plus, e.g., in a role such as corporate support, administrative assistant, or executive assistant
