

Technische Universität Berlin

Technische Universität Berlin offers an open position:

Research Assistant - salary grade 13 TV-L Berliner Hochschulen - 1st qualification period (PhD candidate)

part-time employment may be possible

Faculty VII - Institute of Technology and Management - Digital Service Engineering

Reference number: VII-193/24 (starting at 01/10/24 / temporarily limited for 5 years / closing date for applications 21/06/24)

Working field:

Independent and autonomous scientific work in the field of artificial intelligence with a focus on application-based aspects. Development and implementation of studies on aspects of the interaction between humans and (generative) AI systems: e.g., investigation of trust in AI-generated content, research into methods for demonstrating joint performance of humans and AI (human-computer overall performance). Implementation and validation of data collection processes. Independent and responsible management of students and classes at TU Berlin. Autonomous writing of scientific reports and publications. Further information on the specialization can be found at <https://www.tu.berlin/tds>.

Requirements:

- successfully completed scientific university degree (Master, Diplom or equivalent) in the field of business engineering, business informatics, data science (or comparable)
- Initial experience in planning and conducting online experiments and data analyses (e.g. in Python or R)
- The ability to teach in German and/or in English is required; willingness to acquire the respective missing language skills

Desirable:

- Thorough and independent way of working
- High level of organisational skills and independence
- Ability to work in a team and co-operate
- Initiative and creativity.

Please send your application with the **reference number** and the usual documents **only by email** (combined in a single pdf file, max. 5 MB) to Prof. Dr. Timm Teubner via **teubner@tu-berlin.de**.

By submitting your application via email you consent to having your data electronically processed and saved. Please note that we do not provide a guaranty for the protection of your personal data when submitted as unprotected file. Please find our data protection notice acc. DSGVO (General Data Protection Regulation) at the TU staff department homepage: https://www.abt2-t.tu-berlin.de/menue/themen_a_z/datenschutzerklaerung.

To ensure equal opportunities between women and men, applications by women with the required qualifications are explicitly desired. Qualified individuals with disabilities will be favored. The TU Berlin values the diversity of its members and is committed to the goals of equal opportunities.

The vacancy is also available on the internet at <https://www.personalabteilung.tu-berlin.de/menue/jobs/>
