

CUTANEON - Skind & Hair Innovations GmbH

At Cutaneon, we are dedicated to advancing the future of skin and hair health. As a company at the forefront of research and innovation in dermatology, we aim to deliver cutting-edge solutions that make a real impact on people's lives. Our team is comprised of experts who are passionate about developing safe, effective, and sustainable skincare and haircare products.

Internship Opportunity

Are you a passionate Master's student eager to apply your academic knowledge to real-world challenges? Cutaneon - Skin and Hair Innovation is offering a unique internship opportunity for Master's students who are looking to write their Master's thesis in collaboration with a leading company in the dermatology and cosmetic science industry.

City: Berlin; Starting date (earliest): At the earliest possible; Duration: 3-6 Months;
Remuneration: -

Working field

- Collaborating closely with our R&D team to explore innovative solutions in skin and hair care.
- Conducting research and gathering data to develop insights for your Master's thesis.
- Engaging in scientific analysis and experimentation to support ongoing product development.
- Presenting your findings to internal teams and contributing to strategic discussions.
- Receiving mentorship and guidance from experts in dermatology and cosmetic sciences.

Requirements

- A current Master's student (ideally in fields such as Biology, Chemistry, Dermatology, Pharmaceutical Sciences, or a related area).
- Strong research skills, with a deep interest in skin and hair health.
- Ability to work independently and collaboratively in a team environment.
- Excellent written and verbal communication skills.
- Enthusiasm for contributing to the development of groundbreaking skin and hair products.
- Excellent written and verbal communication skills in both German and English.

What we offer

- A unique opportunity to conduct research in a cutting-edge industry with real-world applications.
- A dynamic, supportive, and innovative working environment.
- Mentorship from industry professionals to help you grow in your academic and professional career.
- Flexibility to align your thesis project with your academic goals while contributing to impactful projects.
- A potential pathway to future career opportunities with Cutaneon-Skin and Hair Innovation.

Application

Please send your CV, a cover letter and short abstract of your Master's thesis to Dr. Jennifer Gherardin to the following email address: j.gherardini@cutaneon.com.
