

Technische Universität Berlin

Technische Universität Berlin offers an open position:

Research Assistant - 0.67 working-time - salary grade E13 TV-L Berliner Hochschulen
for parental leave replacement

Faculty VI - Institute of Architecture / Architecture and Innovative Structural Design (AIC)

Reference number: VI-240/25 (starting at 24/08/25 / limited until 23/08/2026; for parental leave / closing date for applications 04/07/25)

Working field:

Participation in research and teaching at the Bachelor's and Master's degrees in the fields of design, building construction, and project-integrated design, taking into account subject-specific job profile characteristics:

1. Experimental design theory and research-based design
2. Teaching of material and construction competence: linking architectural design with construction and material selection
3. Main topics: building with wood, circular and resource-efficient construction methods, and building transformation (conversion and reuse)
4. Architecture-related engagement with the topic of sustainability, considering socio-cultural relevance (health protection, comfort, appreciation) and ecological evaluation (use of materials/energy, circularity, and recyclability)

Requirements:

- Successfully completed academic university degree (Master, Diplom or equivalent) in architecture.
- Willingness and ability to conduct academic research, supported by experience in a research environment and/or several years of work in design and planning in the fields of: building with wood, circular and resource-efficient construction methods, and building transformation (conversion and reuse).
- Outstanding quality in personal design work.
- Design-relevant computer skills (CAD, graphics, etc.).
- The ability to teach in German and/or in English is required; willingness to acquire the respective missing language skills.

Desirable:

- Teamwork skills and aptitude for teaching.

Please send your application with the **reference number** and the usual documents **only by email** (in a PDF file, max. 5 MB) to Prof. Nicole Kerstin Berganski via **a.simons@architektur.tu-berlin.de**.

By submitting your application via email you consent to having your data electronically processed and saved. Please note that we do not provide a guaranty for the protection of your personal data when submitted as unprotected file. Please find our data protection notice acc. DSGVO (General Data Protection Regulation) at the TU staff department homepage: https://www.abt2-t.tu-berlin.de/menue/themen_a_z/datenschutzerklaerung.

To ensure equal opportunities between women and men, applications by women with the required qualifications are explicitly desired. Qualified individuals with disabilities will be favored. The TU Berlin values the diversity of its members and is committed to the goals of equal opportunities. Applications from people of all nationalities and with a migration background are very welcome.

Technische Universität Berlin - Die Präsidentin - Fakultät VI, Institut für Architektur, FG Architektur und innovative Baukonstruktion (AIC), Prof. Nicole Kerstin Berganski, Sekr. A13, Straße des 17. Juni 152, 10623 Berlin
