

Bundesanstalt für Materialforschung und -prüfung - Bundesoberbehörde

Die Bundesanstalt für Materialforschung und -prüfung (BAM) ist eine wissenschaftlich-technische Bundesoberbehörde mit Sitz in Berlin. Als Ressortforschungseinrichtung des Bundesministeriums für Wirtschaft und Energie forschen, prüfen und beraten wir zum Schutz von Menschen, Umwelt und Sachgütern. Im Fokus unserer Tätigkeiten in der Materialwissenschaft, der Werkstofftechnik und der Chemie steht dabei die technische Sicherheit von Produkten und Prozessen.

Undergraduate Assistant (m/f/d)

in the field of study Polymer Science or comparable

City: Berlin; Starting date (earliest): 01/10/25; Duration: Temporary contract until March 31, 2026; Remuneration: Hourly wage 14,32 Euro; Reference number: 96/25-7.5; Closing date: 10/07/25

Mr. Schartel will be glad to answer any specific questions you may have. Please get in touch via the telephone number +49 30 8104-1021 and/or by email to Bernhard.Schartel@bam.de.

BAM pursues the goal of professional equality between women and men. We therefore particularly welcome applications from women. In addition, BAM supports the integration of severely disabled persons and therefore especially welcomes their applications. With regard to the fulfilment of the job advertisement requirements, the application documents are examined individually. Recognised severely disabled persons will be given preferential consideration if they are equally suitable.

The advertised position requires a low level of physical aptitude.
