Technische Universität Berlin

Technische Universität Berlin offers an open position:

Student assistant (60 hours per month)

Fakultät VII - Wirtschaft und Management
Reference number: VII-SB-0012-2025 (starting at the earliest possible / 01.09.2025 - 31.03.2027 / closing date for applications 12/08/25)

Working field:

As part of the “Treasure Hunting” project, an interdisciplinary teaching format for patent valorization is being developed. The project incorporates methods such as Design Thinking, soft-skill training, and a custom-developed evaluation tool for business models and sustainability. The work is closely integrated with academic staff and carried out under their supervision.

Tasks (under the supervision of academic staff):

a) Editing of scientific texts (50 %)
b) Scientific assistance in the field of data- and software-supported research processes:

- Support in the preparation and analysis of data with Python (20%)
- Support with systematic literature searches (30%)

Requirements:

Must criteria:

- Good knowledge of Python
- Very Good English skills (written and spoken)

Can criteria:

- Experience with qualitative or quantitative research methods
- Interest in entrepreneurship, innovation, and/or sustainability topics.
- Good German skills (written and spoken)
- Familiarity in working with scientific texts, publications or software development in the context of research
- Independent and structured working style with the ability to collaborate in interdisciplinary research settings
