

Technische Universität Berlin

Research Assistant - salary grade E13 TV-L Berliner Hochschulen - 1st qualification period (PhD candidate)

subject to the position becoming available
part-time employment may be possible

Faculty VII - Economics and Managements, Institute of Technology and Management / Entrepreneurship and Innovation Management

Reference number: VII-380/25 (starting at 01/03/26 / for 5 years / closing date for applications 26/09/25)

About us:

The Chair of Entrepreneurship at Technische Universität Berlin is seeking a dedicated Research Associate to support research, teaching, and third-party funded projects, with a particular focus on sustainable behavior, environmental awareness, behavioral economics, and social and ecological transformation.

Your responsibility:

- Coordination of the Master's program M.Sc. Innovation Management, Entrepreneurship and Sustainability (IMES)
- Organization and content development of teaching in the field of Sustainable Entrepreneurship
- Participation in research projects on sustainable behavior, environmental awareness, behavioral economics, and social and ecological transformation
- Independent research in the above-mentioned areas
- Support in acquiring third-party funding for research and teaching projects

Your profile:

- Successfully completed university degree (Master, Diplom or equivalent) in social sciences or economics with a focus on Entrepreneurship and Sustainability (Diploma, Master, or equivalent)
- Experience in teaching and/or conducting workshops
- Excellent German and English skills, both written and spoken
- Willingness to travel to partner universities of the IMES Master's program
- Strong interest in Entrepreneurship and innovative teaching formats advantageous
- Initial research experience, preferably demonstrated through publications on sustainable behavior, behavioral economics, environmental awareness, or societal transformation desirable
- Strong communication skills and enthusiasm for intercultural collaboration advantageous
- Ability to work both independently and as part of a team, with a structured approach advantageous
- Experience in working with international universities or organizations advantageous
- Knowledge of third-party funding and grant management advantageous

What we offer:

- A diverse position at the intersection of research, teaching, and international collaboration
- Freedom to develop your own ideas and research priorities
- Opportunities for academic qualification and professional growth
- A dynamic, interdisciplinary team with a high degree of personal responsibility

Are you interested? We look forward to receiving your application!

How to apply:

Please send your application **with the reference number** and the usual documents by email (in a single pdf file, max. 5 MB) to Prof. Dr. Jan Kratzer via **team.assistant@eim.tu-berlin.de**.

By submitting your application via email you consent to having your data electronically processed and saved. Please note that we do not provide a guaranty for the protection of your personal data when submitted as unprotected file. Please find our data protection notice acc. DSGVO (General Data Protection Regulation) at the TU staff department homepage: https://www.abt2-t.tu-berlin.de/menue/themen_a_z/datenschutzerklaerung/.

To ensure equal opportunities between women and men, applications by women with the required qualifications are explicitly desired. Qualified individuals with disabilities will be favored. The TU Berlin values the diversity of its members and is committed to the goals of equal opportunities. Applications from people of all nationalities and with a migration background are very welcome.
