

Institut für Klimafolgenforschung - Wissenschaft

Klima braucht Köpfe. Das Potsdam-Institut für Klimafolgenforschung e.V. (PIK) untersucht wissenschaftlich und gesellschaftlich relevante Fragestellungen. Es ist eine der weltweit führenden Forschungseinrichtungen auf seinem Gebiet und bietet Natur- und SozialwissenschaftlerInnen aus aller Welt beste Voraussetzungen für exzellente interdisziplinäre Forschung.

Research assistant - position (m/f/d)

The position is funded for 9 months. The remuneration is determined according to the guidelines of the TdL. The current hourly rate for a student assistant with a Bachelor's degree is 14,59 € (without a Bachelor's degree 13,98 €). This is a part-time position with a weekly working time of 10 to 20 hours per week.

City: Potsdam; Starting date (earliest): At the earliest possible; Duration: funded for 9 months; Remuneration: The current hourly rate for a student assistant with a Bachelor's degree is 14,59 € (without a Bachelor's degree 13,98 €).; Reference number: 37-2025 SHK Research assistant; Closing date: 23/11/25

Working field

Key responsibilities:

- support our research on policy instrument design for climate change mitigation,
- contribute to assessments of cause-effect-relationships in the domain of climate policy,
- review academic articles in economics and political science,
- take part in data science and empirical analyses, and
- engage with other opportunities conditional on individual interests.

Requirements

You are a Bachelor or Master student, enrolled at a German university, and ideally meet the following requirements:

- strong motivation and active interest to work on policy instruments for climate change mitigation,
- high level of diligence and an acute attention to detail,
- a solid grasp of causal relationships and mechanisms is desired
- ideally, experience with (quantitative) research methods including econometrics

What we offer

We offer:

- the chance to be part of an engaged, interdisciplinary team,
- excellent opportunities to get hands-on experience in a world-leading research institute in the field of global change,
- a stimulating working environment and an attractive working space at the EUREF-Campus in Berlin Schöneberg,
- flexi-time and mobile working (up to 50% of your hours),
- a collective pay scheme and associated benefits as well as a subsidized travel card or Deutschland-Ticket Job.

Application

Please apply by 23.11.2025 directly via our application form below this job advertisement on our website.
