

Wizard Ventures GmbH

**Wizard Ventures**

Wizard Ventures is a Berlin-based venture studio that's obsessed with launching new products and services. Whether by building from scratch or acquiring promising digital businesses, our mission is simple: create great products people love to use.

Marketing Working Student

Support the growth of one of our portfolio products

City: Berlin; Starting date (earliest): At the earliest possible; Remuneration: Paid

Working field

Marketing / Growth / Startups

Requirements

- Currently enrolled in university (Marketing, Business, or related field)
- Strong interest in startups, digital products, and modern marketing
- Creative, organized, and not afraid to experiment
- Familiar with tools like Notion, Canva, or Figma
- Bonus: Webflow, Ads Manager, or analytics tools
- Fluent in English (German is a plus)
- Proactive, curious, and motivated to learn by doing

What we offer

- Learn directly from experienced founders
- Real impact: help grow an actual product, not just "support" someone else's work
- Freedom and flexibility in how you approach your tasks
- Steep learning curve and exposure to all aspects of startup marketing
- Fully remote setup or Berlin-based hybrid
