

Amazon - Operations/ Logistics

We strive to be Earth's most customer-centric company. And with every order prepared and delivered, our customer demand is growing. To meet this demand and keep a world-class service, we're hiring graduates and students to grow our teams in fulfillment centers across Europe.

Amazon Operations Internship

Amazon Operations

City: Dresden; Starting date (earliest): At the earliest possible; Duration: 3-6 Months;
Remuneration: paid internship; Reference number: N/A; Closing date: 01/06/26

Working field

As an Amazon operations intern, you'll have the opportunity to apply your analytical skills to impactful projects that enhance the functionality and service of Fulfillment Centers, Sortation Centers, and Delivery Stations.

Requirements

- Currently in your final or penultimate year and working towards a university degree in Supply Chain, Business/Management, Engineering or another related field.
- Eligible to complete a full-time internship of 3-6 months.
- Highly proficient in both spoken and written English and the local language of the country you are applying for (Common European Framework of Reference C1).

What we offer

This internship will place you at the heart of our operations, enabling you to trace the journey of a customer order. You'll gain a realistic job preview of the full-time opportunities awaiting you within our organization.

You'll learn how our managers cultivate a safe, productive environment, harnessing the full potential of their teams through effective engagement and performance management strategies. This is your chance to develop skills that will propel you towards a rewarding career with Amazon.
