

toni experience software GmbH

We are a Berlin based agency specialized in automotive UX design and software development.

Software Developers

Join our creative team! Flutter, Web, Android, React coders wanted!

City: Berlin; Starting date (earliest): At the earliest possible; Remuneration: 25€/h

Tasks

- Passion for Flutter, Web Development, React, or Android.
- A curious mind and eagerness to learn.
- Ability to juggle studies and work like a pro.

What we offer

Dive into meaningful projects where you call the shots and take on real responsibility. No coffee-fetching here! Everyone is a creator, innovator, and valued team player. Get your hands on a modern MacBook (perfect for both work AND study).

Application

Send your application to hello@wearetoni.com.
